

CELL PHONE AND BEEPER POLICY

So as not to distract others or detract from public events, library staff shall instruct patrons to take cell phone calls in the lower hallway, away from public areas. Library staff shall announce the following at the beginning of all library story times, programs and performances:

“Cell phones and beepers are to be turned off and/or disengaged during the following program. Silent phone calls are to be taken outside of this event space. Cell phone calls may be taken in the lower hallway.”
