

Stained Glass Suncatcher Art!

July 1, 2020

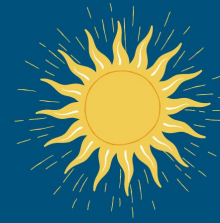

Create Your Own
Suncatcher Kits
provided by
Ways of Color
Newburyport, MA

All materials for this FREE program
for teens and tweens
are provided through the generous
support of the

Friends of the J.V. Fletcher Library

Step 1: Read the Instructions!

“Mosaics are patterns or pictures made by using small pieces of varying colored material. Mosaics can be traced back to the 3rd century B.C.[E.] Many ancient mosaics exist today. Enjoy this timeless art form.”

Kit Includes:

Glass pieces (sharp), plexiglass rectangle, bag of glue, string

INSTRUCTIONS

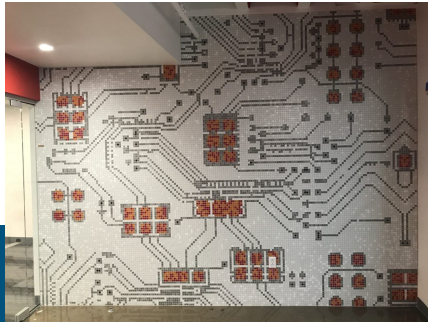

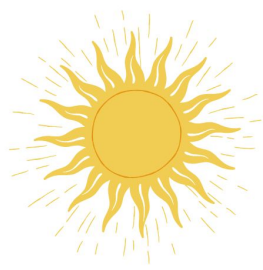

Prepare your work area:

- **Cover with newspaper, paper towel**
- Lay out your materials
- **Paintbrush or cotton swab for glue (optional)**
- Peel backing off both sides of the plexiglass
- Questions?

Mosaic questions:

- Has anyone seen a mosaic?
- Has anyone made one before?
- There are a lot around MA
