POLICY ON SALE OF TICKETS, RAFFLE TICKETS, ARTICLES, ETC.

The Board of Library Trustees reserves the right to restrict the sale of tickets, raffle tickets, sale items and articles, etc. on the J. V. Fletcher Library premises and property. Fundraising efforts and use of the Library LOGO or branding will be limited to those initiatives which directly or indirectly benefit the J. V. Fletcher Library or the Friends of the J. V. Fletcher Library, Inc. or which support Library programs and services. The Library will not serve as an agent for sale of tickets or merchandise, nor handle donations or raffles, the proceeds of which do not benefit the Library.

With the Director's approval, authors, performers, presenters and media creators may sell their books or media in connection with Library-sponsored book signings, performances, media presentations or book talks. Material ordering, sale handling and the return of merchandise will be the responsibility of the author/presenter or the author/presenter's agent on site.

Nonprofit groups interested in using the library lawn or property for visibility and/or commerce must apply to the Board of Library Trustees and appear at a regularly scheduled meeting to present their case. The vote of the Board will be final.
