PRESENTER: Dawn Quesnel, aka, Coach DQ

- ✓ While most of the focus of today's job market is on unemployment rates, severe labor shortages, rapid job growth, yet, job seekers face an even greater challenge. In addition to those out of work, at any given time, 50 percent of the work force is seeking a new job, or considering a career change. To combat the increased competition for every opening, Career-Life Coach Dawn Quesnel, developed the B.R.I.D.G.E. methodology, a job search strategy featured on the news, ABC, WBZTV, Fox, and published by SelfGrowth.com "101 Great Ways to Enhance Your Career".
- ✓ B.R.I.D.G.E is an acronym for the time-tested, six-step job search process with a 15-year track record of success that I have used to lead hundreds of job seekers to jobs and careers they love.
- ✓ As part of our presentation, you will be guided through key components you need to develop a successful career/job transition strategy and drastically reduce your search time by 50%.
- ✓ **What the B.R.I.D.G.E. methodology can do for you:**
- ✓ Help you best articulate the type of position you're looking for
- ✓ Help you develop a strategy for tapping into the hidden job market
- ✓ Help you reduce the amount of time it takes to get hired
- ✓ Help you get more interviews
