

CELL PHONE POLICY

So as not to disturb researchers, distract others or detract from public events, library staff shall instruct patrons to take cell phone calls in the lower hallway or outdoors, away from research and public areas. Library staff shall request that patrons take calls elsewhere, if another patron complains or requests quiet.

VOTED BY THE BOARD OF LIBRARY TRUSTEES: 6/5/2000; 2/20/04; 3/1/04;  
11.7.22.
