POLICY

The J. V. Fletcher Library (Town of Westford) decorates, displays, designates and differentiates collections and genres using Graphics/Signage/Posters/Banners/Stickers/Decorative Flags/Buttons and various other graphics to complement the informational, cultural or recreational holdings of the Library's collections and formats — all of which have been purchased under the aegis of the Trustee-approved COLLECTION DEVELOPMENT POLICY; as well, this décor and environment enhances the library's programs and events. These graphical expressions may be permanent, semi-permanent or ephemeral. They may promote or enhance education, interest and aesthetics, and may reflect the ever-changing demographics and diversity of the community of Westford and the collections and library programs which support it.
