

VIDEO POLICY

Lending Policy:

1. Videos circulate for a loan period of one week and may be renewed.
2. Charges will be as follows:
 - *replacement costs for lost or non-returned items.*
3. Librarians and Library governing bodies cannot assume the role of parents or the functions of parental authority in the private relationship between parent and child. Thus, parents/attending adults—and only parents/attending adults—have the right and the responsibility to restrict the access of their children to library resources. Parents who do not want their children to have access to certain library services, materials, or facilities should so advise their children. (See also Library Card Registration and Responsibilities Policy)

Use Guidelines:

1. Videos are to be kept at room temperature, away from heat sources and not left either in direct sunlight or in vehicles.
2. The J. V. Fletcher Library is not responsible for loss, damage or erasure incurred during use, or for damage to home equipment, or any legal action resulting from use. Please alert the library staff if a borrowed item showed signs of damage or would not play.
3. Patrons wishing to borrow and view DVDs in-house may view these on the mezzanine level with earphones on a study table. The library reserves the right to ask patrons to refrain from displaying images which are inappropriate for public viewing as determined by the staff.
4. Copyright laws prohibit copying, reproduction and performance in public (in whole or in part).
5. Patrons may request that DVDs be buffed prior to checkout, however this service may not be immediate, and cannot be offered on demand.
